

KONICA MINOLTA

COLOR OR B&W – FAST, FLEXIBLE, AFFORDABLE.

High-impact documents demand high-quality color. Everyday print/copy needs are better served with economical B&W. With bizhub™ C352, you'll have both – at output speeds up to 35 ppm, so work keeps flowing. With built-in print control and lightning-fast scanning: up to 65 originals per minute in B&W, 50 opm in color. And Scan-to-User Box capability on a 40 GB hard disk drive that becomes the hub of your business. Plus a modular built-in finishing option for automated in-house, on-demand printing. Color or B&W? Your business needs both – in a right-size solution that replaces your current B&W printer/copier with the high-quality color you didn't think you could afford.

DO BUSINESS BETTER

35 PPM

CONTROL

bizhub C352

- ▶ 35 PPM OUTPUT IN BOTH COLOR AND B&W
- ▶ 100,000 PAGE-PER-MONTH MAXIMUM DUTY CYCLE
- ▶ EMPERON™ PRINT SYSTEM, BUILT-IN PRINT CONTROLLER
- ▶ FLEXIBLE SCANNING TO EMAIL, FTP, SMB (DESKTOP)
- ▶ SCAN-TO-USER BOX ON BUILT-IN 40 GB HDD
- ▶ ADVANCED SECURITY FOR HDD, PRINTING, ACCESS
- ▶ STANDARD DUPLEXING – UP TO 140 LB. INDEX STOCK
- ▶ FIERY® OPTION FOR ADVANCED COLOR PRINT CONTROL
- ▶ SUPER G3 FAX OPTION, OPTIONAL DUAL-LINE SUPPORT
- ▶ PAGESCOPE™ SOFTWARE FOR NETWORKING POWER

The essentials of imaging

KONICA MINOLTA bizhub C352

Like two printer/copiers in one. Color when you need it, B&W when you don't – both at the same fast 35 ppm output speed, so color printing never slows you down. That makes the bizhub C352 a perfect cost-effective replacement for your current monochrome document system.

B&W print output at competitive cost. A larger-capacity B&W toner cartridge helps lower your total cost of ownership even further.

The Emperon™ Print System. Unique technology, seamless functionality and in-house PCL/PS (emulation) print drivers give the bizhub C352 significant advantages in print performance.

Print control has never been easier. With built-in print control and simple user interface, you'll have desktop point-and-click command of printing and finishing – your key to in-house print productivity.

The beauty of a central document resource. With Scan-to-User Box functionality, you can "push-scan" documents to individual secure User Boxes on a built-in 40 GB hard drive – making the bizhub C352 a central document resource that speeds your workflow.

Smaller files, higher quality. Using compact PDF scan format with smaller scan file size, the bizhub C352 can speed your workflow – and improve your scan image to preserve more text and visual information.

Enhanced security protection. Today's networked workflow demands increased security protection – and the bizhub C352 gives you HDD Job Erase, HDD Sanitizing, HDD Lock function, Copy Protect, Secure Printing, IP Address Filtering, User Authentication, Scan Encryption, optional HDD Encryption and more.

Standard duplexing, high paper capacity. The bizhub C352 lets you load and auto-duplex up to 140 lb. index stock via multi-purpose cassette and manual bypass, print on envelopes or coated paper, and output 11" x 17" originals on 12" x 18" paper to preserve color bars, crop marks and margins – with maximum paper capacity of 3,350 sheets for long print/copy runs.

High-speed fax option for all-in-one performance. You'll have Super G3 transmission/reception, up to 2,000 multi-address locations, broadcasting, program dialing and other advanced features – plus an optional 2nd phone line for increased fax input/output capability.

PageScope print management capabilities. PageScope Job Spooler helps you control print queues more effectively – and PageScope Direct Print lets you send PDF or TIFF files directly to print without using print drivers or application software.

ADVANCED FIERY® IMAGE CONTROL. THE OPTIONAL IC-406 IMAGE CONTROLLER DELIVERS ADVANCED COLOR GRAPHIC AND COLOR MANAGEMENT FUNCTIONS – THE INDUSTRY'S MOST SOPHISTICATED IN-HOUSE COLOR TOOLS, INCLUDING SPOT-ON COLOR AND PANTONE COLOR MATCHING, COLOR CALIBRATION, AND QUEUE MANAGEMENT TO CHANGE PRIORITY OR ALTER FINISHING SETTINGS AFTER JOBS HAVE BEEN RIPPED.

PULVERIZED

SIMITRI®

TRULY SPECTACULAR COLOR IMAGES. A NEW LASER PRINT ENGINE AND EXCLUSIVE KONICA MINOLTA SIMITRI® COLOR POLYMERIZED TONER TECHNOLOGY COMBINE TO PRODUCE CLEAN, CRISP DETAIL AND CONSISTENT COLOR TONALITY FOR HIGH-IMPACT DOCUMENTS.

THE POWER OF BIZHUB™ OP. THREE ADVANTAGES IMPROVE MULTIFUNCTIONAL PERFORMANCE – BIZHUB ARCHITECTURE TO RUN ALL FUNCTIONS ON ONE CPU AND MEMORY SUBSYSTEM, THE EMPERON™ PRINT SYSTEM FOR INTEGRATED PRINT/SCAN OUTPUT WITH SIMPLE USER INTERFACE, AND BIZHUB OPEN API FOR CUSTOM INTEGRATION WITH FUTURE THIRD-PARTY SOFTWARE.

Standard duplexing, high paper capacity. The bizhub C352 lets you load and auto-duplex up to 140 lb. index stock via multi-purpose cassette and manual bypass, print on envelopes or coated paper, and output 11" x 17" originals on 12" x 18" paper to preserve color bars, crop marks and margins – with maximum paper capacity of 3,350 sheets for long print/copy runs.

High-speed fax option for all-in-one performance. You'll have Super G3 transmission/reception, up to 2,000 multi-address locations, broadcasting, program dialing and other advanced features – plus an optional 2nd phone line for increased fax input/output capability.

PageScope print management capabilities. PageScope Job Spooler helps you control print queues more effectively – and PageScope Direct Print lets you send PDF or TIFF files directly to print without using print drivers or application software.

FINISHING OPTIONS

- ▶ 60-PAGE BOOKLET-MAKING
- ▶ CREASE-FOLDING
- ▶ CENTER STAPLING
- ▶ 2/3-HOLE PUNCHING

CUSTOMIZE YOUR AUTO FINISHING. THE BUILT-IN FS-514 FINISHER PROVIDES MODULAR OPTIONS FOR 60-PAGE BOOKLET-MAKING, CREASE-FOLDING, CENTER-STAPLING, 2/3-HOLE PUNCHING, MAILBIN KIT AND OUTPUT TRAY.

THE POWER OF PAGESCOPE™ SOFTWARE. PAGESCOPE DATA ADMINISTRATOR™ MANAGES DEVICE USER LISTS AND ENABLES ACCOUNT TRACKING, AND HELPS YOU SET UP ONE-TOUCH EMAIL ADDRESSES AND MANAGE PASSWORD AND SECURITY FUNCTIONS. PAGESCOPE WEB CONNECTION GIVES YOUR C352 ITS OWN "WEBSITE" FOR STATUS MONITORING; PAGESCOPE WORKWARE™ AND PAGESCOPE ROUTER MAKE IT EASY TO MANAGE SCANNED DOCUMENTS, VIEW FILES AS THUMBNAIL IMAGES, LINK FILES, CONVERT FILE FORMATS AND SCAN AND DISTRIBUTE IN A SINGLE STEP.
